

The Good Shepherd Columbarium

The Good Shepherd Columbarium

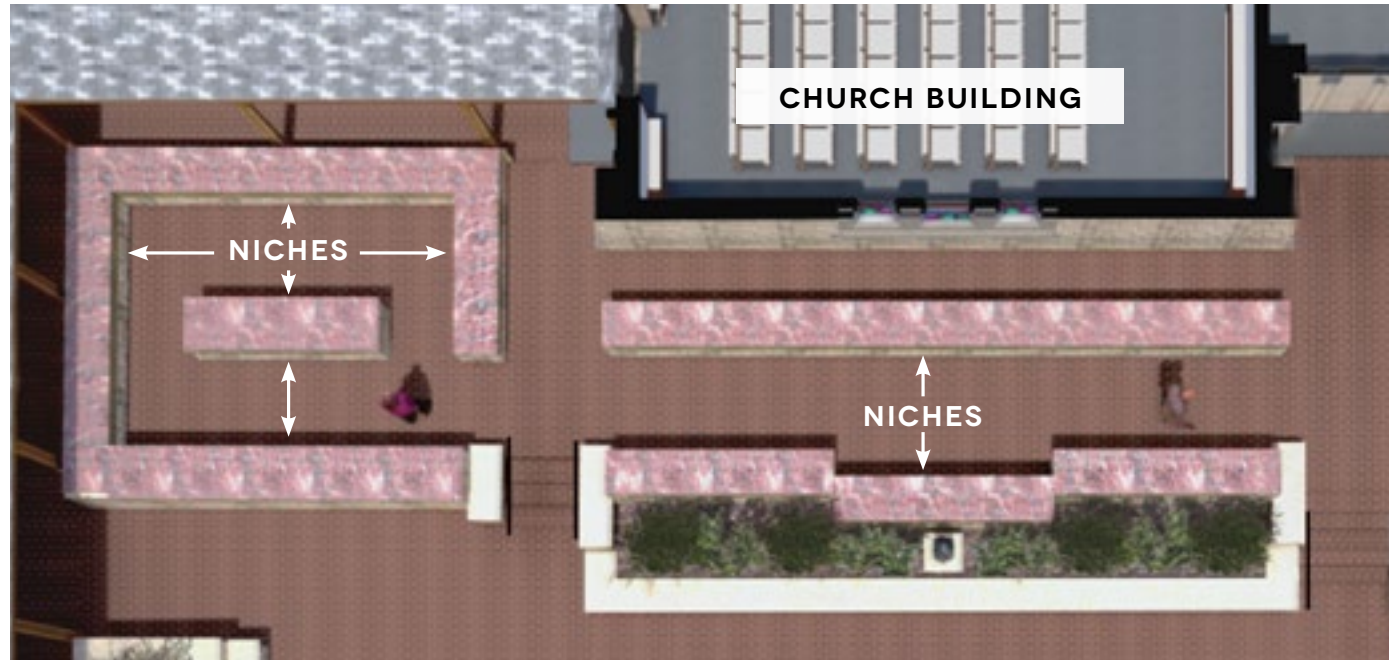

The columbarium and garth are sacred spaces. The columbarium provides a place for parishioners to remember and honor loved ones, and it is especially meaningful that this place is on the campus of our parish.

Each niche accommodates two urns, and the reservation fee is \$5900.00 per niche. To apply for a niche in the columbarium, please complete the attached application for right of interment and submit the form to the parish office along with payment of the reservation fee. To view a diagram showing the niches that are currently available, please visit www.gsaustin.org/columbarium or call the parish office.

The garth includes an underground cistern for the interment of cremated remains. Families may choose to inter a loved one's remains in the cistern. The fee for interment in the cistern is \$500.00. To apply for interment in the cistern, please complete the attached application for placement of cremated remains in columbarium cistern and submit the form to the parish office along with payment.

Interment in the columbarium or cistern is subject to the Rules, Policies and Regulations of the Columbarium adopted by the Vestry. For a copy of the Rules, Policies and Regulations, please visit www.gsaustin.org/columbarium or call the parish office at 512.476.3523.
